Classroom News

We are so excited to begin our next theme “*My 5 Senses.*” Pre-K children naturally use their senses to explore the world around them. We will be working on developing children’s abilities to take in information about the world through sight, hearing, smell, taste, and touch. Throughout this theme your child will have the opportunity to develop a wide variety of skills by using his/her senses in hands on learning and play.

This month we are looking forward to our ***Pre-K Thanksgiving Day Feasts!*** Stay tuned for further information from your child’s teacher.
